Health Professions Week – Discover The Best Fit For Your Future Career!

Health Professions Week (HPW) is an exciting **FREE** week-long event for high school and college students interested in learning more about careers in the health professions. It is inspired by a vision of interprofessional collaborative practice as key to the safe, high quality, accessible, patient-centered care desired by all. HPW is a first-of-its-kind interprofessional recruitment event with the power to increase the profile of and interest in the health professions.

During Health Professions Week (HPW), **November 5-9, 2018**, you will have the opportunity to:

- ✔ Explore 20+ diverse and rewarding health professions through a range of **online, interactive events**;
- ✔ **Hear first-hand from a variety of health professionals** about how they make a difference in their communities through their chosen profession;
- ✔ Learn about the value of **collaborative care and its impact on your local community**.
